Janesville, Wis., June 18.—(Special Correspondence to the Janesville Gazette.)

St. Paul, Minn., June 18.—Senator Robert M. La Follette of Wisconsin, has today delivered a death blow to the so-called Farmer-Labor Progressive convention assembled here so far as political significance is concerned.

Without La Follette, the gathering is hardly of national importance. Whoever is nominated and runs on the ticket apart from La Follette will receive a negligible vote at the polls.

But certain things happened here which are national, if not international, in their significance. In the first place, the communists revealed themselves as a small minority even in this convention of radicals. Talking with them individually one finds their bark worse than their bite.

They speak of their affiliation with Moscow as fraternal but when you (Continued on Page 2)

Indian Thief Defies Posse on Island

By Associated Press
Ashland, Wis., June 18.—A posse headed by Sheriff E. J. Gorman and three other men, according to the information, Sam Wiggins, Indian youth, who broke jail here two weeks ago, is being sought.

Wiggins is encamped at an old shack on a small island on the shore of Lake Superior at Odanah, it is claimed. The party giving the information stated that the youth is armed with a shotgun and has a vast store of ammunition. He is well supplied with food and clothing and according to advice received, had planned on staying in the shack all summer.

The authorities, with the aid of Indian police, mapped out a plan of attack on the island where, by part of the force would stay on shore, surrounding the place and the remainder would approach it in a high speed motor boat. If Wiggins eludes members in the boat he will run into the posse on shore.

Wiggins was being held at the Ashland county jail here awaiting trial on a charge of robbing the Touchart store at Odanah, his home town, in company with Leo Parks, also held on a burglary charge, escaped two weeks ago.

Mower Results—More and More

Mrs. Frank, of 212 Locust street, is finding that more and more reasons for using a mower are being given.

Gazette classified ads, she demonstrated their worth last week when she advertised a lawn mower for sale.

She sold it to one of the twenty prospective buyers that replied to her ad, and she also received calls for the child's go-cart which was advertised for sale.

The purchasers were highly satisfied, as also was Mrs. Frank. The only thing that will get trimmed will be the lawn.

When YOU have a want or an offer, you may easily demonstrate the power of Gazette ads by phoning 2300.

Two Killed, Many Injured in Storm

By Associated Press
Dickinson, N. D.—Two persons are dead, five seriously injured, several others with minor injuries and a property loss in Dickinson and surrounding community estimated at half a million dollars as the result of a tornado which swept this section shortly after 4 p. m. Wednesday.

The men were attempting to close a heavy door in a lumber yard when the roof fell in and tons of heavy timber fell upon them, killing them instantly.

When the storm struck at a velocity of 90 miles per hour sweeping streets clean before it, a dwelling on the outskirts of the city was turned upside down and wrecked. The members of the William Calkins family, occupants of the house were badly hurt by flying timbers. At least a score of others were hit by timbers when roofs were torn off homes and downtown business places sustained minor injuries.

BULLETS FLY IN MINE UNION WAR, BUILDING BURNED

By Associated Press
Morgantown, W. Va.—One man was wounded, three others killed, and a number of houses occupied by miners were fired upon during a battle early today between miners and a group of union miners at Brady, near here, Sheriff W. M. York reported.

The battle had been in progress since midnight according to reports to the sheriff. Many shots were fired, it was said, and four dynamite blasts were set off near the tipple.

One miner, arrested by the sheriff and his deputies and brought to the county jail here, said they were union miners formerly employed by the Brady Warner Coal corporation, owners of the mine.

They were fighting the union miners recently with non-union labor, after the union men refused to work under the 1917 scale.

Speedy action, employed to patrol the Brady property, defended the mine against the attack of the men who scattered themselves in a hill overlooking the operation.

When the battle started, women and children of the working miners, took refuge in the basements of their homes which were in the line of fire. These houses, the sheriff said, were shot full of holes.

COMMUNISTS IN SAVAGE ATTACK ON LA FOLLETTE

By Associated Press
St. Paul.—The whole question of communism came before the new farmer labor party this morning in its first day of existence it was precipitated when W. J. Taylor, Nebraska, offered a minority report from the nominations committee proposing endorsement of Senator La Follette of Wisconsin as a presidential candidate.

Led by Ben Gitlow and C. J. Ruthenburg of the communists, a savage attack was made on the Wisconsin senator. Incidentally they belittled the results of the conference for progressive political action at Cleveland, July 4.

Center on Principles.
The argued that the convention ignore La Follette and all other candidates and concentrate on principles.

Taylor, Walter Thomas Mills of California, and others in the more conservative wing of the convention, divided as to the expediency of endorsing La Follette were united in warning the communists that real unity would not be achieved if the communists forced to radical a program on the new party.

Recess Halts Scrap.
The convention recessed until afternoon while the argument was at its height.

"We will not permit the name of a man, which is a name only now, not even a candidate, to represent us in the operations of an alleged government in a reality," said Ruthenburg.

You cannot get my consent or cooperation to any program that does not represent the whole of the farmers and workers," said Mills.

"Since the Ekers letter was published, Senator La Follette has authorized no one to communicate with the promoters of that convention nor concerned himself in any manner with its proceedings."

Three republican senators and one democrat were overcome by the gas and treated by physicians. The gas was in a newspaper discovered behind the rostrum draped.

Governor Flynn, who appeared in the chamber shortly after the discovery of the sealed newspaper, declared that an attempt had been made to keep the senate from adjourning. Governor Flynn, who showed effects of the fumes and left the chamber.

GRAIN

Chicago Review.
Although reports of hot winds in Kansas, said to be the worst this year, led to a material upturn in wheat prices today during the early dealing, heavy profit taking sales soon brought about sharp setbacks. On the downtown, houses with eastern connections located in the southwest, besides the technical position of the market was weakened by the recent bulk of 13,000 bushels from the new point a week ago Monday. Today's opening prices, which ranged from 80¢ to 82¢ higher, with July 1924 at 81.75¢ and Sept. 1924 at 81.15¢, were followed by declines of as much as 3¢. The market fell a little further and then made considerable recovery. Late reports were to the effect that the hot weather in the southwest was breaking. The close was unsettled, 13 1/2¢ net lower, July 1924 at 81.15¢, and Sept. 1924 at 80.75¢.

The price of No. 2 yellow corn, the new crop having been put up to an unprofitable level, as compared with the old crop, which was advanced to 4¢ higher. July 1924 at 58 1/2¢, the market dropped back two cents or more and closed at 57 1/2¢. Smallness of receipts, together with indications of a further reduction, led to a rise in the price of No. 2 white corn, which was weak, 1/2¢ net lower, July 1924 at 57 1/2¢.

Wheat, No. 2 hard, with corn and wheat, starting 5¢ to 6¢ higher, July 1924 at 1.18 1/2¢, and No. 2 white, July 1924 at 1.17 1/2¢, and No. 2 white, July 1924 at 1.16 1/2¢. The market was weak, 1/2¢ net lower, July 1924 at 1.15 1/2¢.

CHARLIE BICK, pitching ace of Campion college and leading twister last summer, with the Janesville Boosters, is back home. Charlie is a modest chap and has very little to say about himself, but there is one thing he did say that is worth the attention of every young fellow. "Hevo"—that's what the boys of his home town call him—was going so good on the mound for the college nine that the season had hardly closed before he received an offer of \$150 a month to try out in the Michigan-Ohio league. "The offer carried a price that it was good in this faster company. He would be rating \$250 a month."

"It was tempting," states Charlie, "but I turned it down. I want to go back to school again next year and I was afraid that if I got to playing in that league and the money started coming in, I might not go back to school. It's easy money to have that much right in, but a fellow can't play baseball all his life. I want to go back and put in five or six more years at school and have my education. Then if I want to play ball, I can do so and be sure I'll be able to fall back upon after my baseball days are over."

BICK didn't say whether he would play with the Boosters this year. I haven't seen Percy Muller, yet. "I thought I would come back home and play a more ball around here," Charlie has a nice boost for the municipal golf course now in progress of building at Riverside park, believing that it is one of the finest things that could happen to the city. "We have a nice hole course at Campion," he states, "that is a bunch of youngsters from the junior division succeeded in laying a good nine hole course. I didn't think much of golf at first, but now it is more appealing to me than baseball."

William Thelen H. Philadelphia, national tennis champion, entered Great Lakes tennis meet semi-finals at Buffalo, winning three successive matches.

Yankees are in embarrassing predicament of having to rely on the Cleveland Indians, who just lost the final game of their series, six to five to keep them in first place by trimming Detroit Wednesday. The American League leaders, who this morning were only eight points ahead of the Tigers, will not be able to strike a blow in their own behalf until Friday, as they are scheduled to meet Pittsburgh in an exhibition game at Toronto Thursday afternoon, before returning to New York for a three game series with the Red Sox.

The Indians were preoccupied with their loss Wednesday. The former required 13 to make five runs, and the latter 17 to make six. Every player in the game except Tynd and Bush made at least one single. Detroit made 14 four straight from Boston with a 5-3 victory. "Tip" Collins kept his command. Nine hits well scattered. Bill Pfeiffer, Red Sox pitcher, had to retire in favor of Murray in the first inning when he was hit by a hard ball by Burke's stealing drive. The White Sox dropped from fourth to sixth place by losing five to four to the Senators. It was a gamey game until the final chapter, when Washington scored twice and blanked the home team in its last stand. By making a clean sweep of their three game series with the Athletics with a 5-1 win, the Browns rose in the world hand in hand with the Senators with whom they had fought for fourth position behind inexcusable pitching by Wayland Dean, the Giants swept the series with the cards with a 3 to 1 triumph. Pitching up 10 hits, the Cubs beat their opponents to six, the Cubs beat the Phillies 9 to 2. Emil Yde, young Pittsburgh boxman, was the chief factor in the Yankees four to three defeat of the Braves.

BRITISH CAPTURE MATCH FROM U. S.; NOT ACCLIMATED?

(BY ASSOCIATED PRESS)

Wimbledon, Mrs. Phyllis Covell took the first set of her match with Mrs. Molla Mallory, 6-2, 7-5. Mallory won the second set.

(BY ASSOCIATED PRESS)

Wimbledon, Eng.—Miss Helen Wills, American woman tennis champion, was defeated in straight sets Thursday by Miss Kathleen McKane, ranking British woman player, 6-2, 6-2, in the British versus America women's team match. This victory gave the British team four victories and the match.

This meeting afforded the Californian great opportunity for reestablishing her prestige, which suffered through her defeat in straight sets Wednesday at the hands of Mrs. Phyllis Covell, but she missed. In Miss McKane, the American champion faced a veteran campaigner, a swift, moving player, who knows how to take advantage of an opponent's every weakness.

In this morning's London newspapers agree that Miss Wills was mainly defeated Wednesday by the unfamiliar conditions of the English climate and especially the difference between the American and English balls.

Some are of the opinion also that, apart from the spirit she was below her normal form, and suggestion is made that stage fright was responsible for her poor showing.

Lake Mills Adds Two New Players; Seeking a Third

Lake Mills—Disappointed with the showing of his team against Jefferson Sunday, Manager Calkins has announced the acquisition of several new players—Schroeder, this year's high school's flashy centerfielder, for den, who is a player of the Seldorf type, hitting .481 in high school and is a flash on the sack; Barfknecht, this year's high school twirler, who emerged with an enviable pitching and hitting record, is also reporting to the next practice.

Hierick, sensation in prep school last as a hurler in 1923, who began the season with Cambridge this year, will undoubtedly finish the season with the Grays as their second hurler. He will have all exhibition games save the July 4th contest at Port.

When Kleinke, sensational Northwestern college southpaw, will perform, Kleinke works at first for Jefferson. Had the Jefferson left gone over the allotted length, Hierick would undoubtedly have continued for Lake.

Bobmann, flashy infielder, has returned to the Grays' roster, and Calkins, utility infielder and pitcher, is also out in a suit. There now are 18 players on the Grays' squad.

RED SOX PRACTICE FOR AFTON CONTEST

Practice for the Janesville Red Sox will be held Friday. The team plays at Afton, Sunday afternoon. Practice will be held on the Fordson diamond at 8 p. m.

Hole in One Is Scored by Caddie Pete Johnson

Russell (Pete) Johnson, one of the smallest caddies at the Janesville Country club, has gone into the ranks of the great.

"Pete" scored an ace on hole Number 3.

This is the second hole in one in Janesville this year, the other having been made recently by N. L. Carle.

Johnson was a member of the Janesville high school golf team which finished 12th in the state high school tournament at Racine a couple of weeks ago. At school, he was one of the cheer leaders.

Chicago—Sixteen golfers Thursday started match play of the state championship of the western conference universities. These students made their debut through their scores made Wednesday in the team contest, won by the University of Chicago, with Michigan second and Illinois third.

The match with 25-80-15 for the title last year, slumped sadly through the poor play of Rial Rolfe, captain who, although he won the individual title last year, barely qualified yesterday with 176 strokes.

Michigan, Chicago and Illinois qualified Wednesday with three men each, while Wisconsin and North Carolina got in two players each. Indiana and Iowa and Minnesota had a lone representative each.

Kenneth Abbott of Chicago, won the medal with 75-89-158 for the qualifying rounds, but the star performance for 18 holes was given by George Dawson of Illinois, who scored 67 for the first round, 71 for the second, 72 for the third and 71 for the fourth.

12 Big Ten Games for "W" Basketers in 24-25 Season

(BY ASSOCIATED PRESS)

Madison—Wisconsin will play 12 conference basketball games in 1925, under the schedule just completed by Coach Walter D. Meenwald. Three conference schools are not on the Badgers' schedule. It is noted, including Indiana, Northwestern and Chicago.

Under the "round robin" scheme adopted by coaches, three teams are dropped from the schedule each year and replaced by three others. The three named above were replaced on the Badger line-up by Minnesota, Purdue and Michigan.

The three new teams on the schedule makes it certain that Wisconsin will have a stiff race for the conference title. In the opinion of Coach Meenwald, all three had strong teams last year. Chicago, however, with whom Wisconsin fought the final game of the last season for conference honors, will not meet the Badgers next season. Chicago is expected to have another strong team.

Illinois, the third team that tied for honors this year, will meet the Badgers twice.

The conference schedule for Wisconsin starts on January 10, against Minnesota at St. Paul, Minn. The game comes here on the 13th. The preliminary schedule for the local team has not been arranged by Coach Meenwald but it is expected the Badgers will meet Marquette, DePaul, Franklin or other strong college teams. The preliminary schedule probably will not be ready until early in the fall.

The Wisconsin conference schedule follows:

- Jan. 10—Wisconsin at Minnesota.
- Jan. 13—Ohio State at Wisconsin.
- Jan. 15—Wisconsin at Michigan.
- Jan. 21—Minnesota at Wisconsin.
- Feb. 16—Iowa at Wisconsin.
- Feb. 21—Wisconsin at Illinois.
- Feb. 27—Purdue at Wisconsin.
- Feb. 28—Michigan at Wisconsin.
- March 3—Wisconsin at Iowa.
- March 5—Illinois at Wisconsin.
- March 11—Wisconsin at Purdue.
- March 14—Wisconsin at Ohio State.

America has sent a formidable array of tennis stars to Europe. In quest of the world's championships at Wimbledon and the Olympic games.

Bill Tilden and Bill Johnston, the biggest bills in the tennis folder, aren't in the delegation. Neither is Molla Bjurstedt Mallory. But the others should be able to hold their own.

The men's team includes R. Norris Williams, Vincent Richards, Watson Washburn and Francis T. Hunter.

Williams has been captain of America's Davis Cup team since 1921. Washburn and Richards have shown their worth in cup matches as well as in various national tournaments. Williams was placed third in last year's tennis rankings, Richards fourth, Hunter fifth and Washburn eighth.

Washburn and Williams, who will form one of the doubles teams, were placed third in the doubles rankings and Richards and Hunter were ranked fifth.

The women's team lists Miss Helen Wills, Miss Eleanor Goss, Mrs. Hazel Wightman and Mrs. Marion Zinderstein Jessup.

Wills is national champion and sensation of the tennis world by reason of her decisive victory over Mrs. Mollie and other stars. Miss Goss is virtually the runner up to Miss Wills due to the fact that Mrs. Mollie, defeated by the California girl, is representing Norway in the Olympic games and is, therefore, lost to the U. S. team.

Tilden withdrew his name from the men's team because of the play-off system. Johnston was unable to make the trip due to press of personal business. Johnston's withdrawal from the Wimbledon tourney leaves the ill race an open one as he won the title last year.

The teams are to play for a purse of \$250. The split will be on a 50-50 basis.

Janesville is now leading the southern Wisconsin league and Broadhead is second. This makes an exceptionally close contest for the Evansville people. Only home players eligible to compete in the league will be permitted upon the teams.

On the fourth, Port Atkinson of the Southern Wisconsin league, and Lake Mills of the Intercity league, are to clash at the Port. This is a return contest. At Lake Mills last week, the lake won, but down at Port they say the next affair will be different.

Badgers May Send Three Crews to '1925' Keepsie

(BY ASSOCIATED PRESS)

Madison—Wisconsin will probably be represented at the national intercollegiate regatta at Poughkeepsie next year by three teams, including crews of the University of Wisconsin and Freshman crews, according to Badgers who will urge such action upon university athletic officials.

A new interest has been taken in rowing at the university as the result of the brilliant showing of the Wisconsin crew in the Poughkeepsie classic on Tuesday. Athletic officials expect a larger number of contestants for teams next spring and declare that the sports will probably show a decided comeback over the last ten years.

For ten years, rowing as a university sport, was of little interest. Then Coach Bud Vail hit upon the idea of entering a crew in the intercollegiate meet. It was weeks before the athletic council finally approved the plan. In preparation for the meet, Vail ordered a special shell which was used by the Badgers in the race.

A royal welcome for the crew is being planned by Madison sportsmen when it arrives back from Poughkeepsie, probably Friday or Saturday. Sportsmen credit Coach Vail with much of the credit for the showing of the eight.
